

ZLGA College of Technology

DEPARTMENT OF BASIC SCIENCES AND SPECIAL ENTRY PREPARATORY PROGRAMME (SEPP).

SPECIAL ENTRY PREPARATORY PROGRAMME (SEPP) - I YEAR.

This programme is a one-year course designed to prepare candidates to remedy their deficiencies in one or two O/L requirements for their course of study. The candidates will be registered for WASCE/NECO/NABTEB. On successful completion of the programme, the affected candidates will automatically proceed to year one of the programme to which they were admitted. The available courses for SEPP programme are English Language, Biology, Chemistry, Physics, Mathematics, Geography, and Economics.

Remedial Programme is also available to WASCE, NECO, NABTEB and JAMB candidates in the subjects listed in SEPP.
